KANSA CRAFT RETAIL MAIL ORDER PRICE LIST

Kansa Craft is one of the largest importers of stained glass and related tools and materials in Europe and we have regular containers arriving from the USA, Europe, India and the Far East. Our main reception building is a Flour Mill built in 1842 and contains three showrooms; one for stained glass, one for tools, materials and books and one for lighting. The site backs onto a canal and is surrounded by attractive countryside but is only 3 miles from junction 36 on the M1. Just ¼ mile down the road is Elsecar Heritage Centre which has a working steam railway, exhibitions and craft shops. There is a map on the back of the main catalogue with instructions on how to reach us.

OPENING TIMES Monday to Friday- 9am to 5pm (except Bank Holidays)
 Saturdays - 10am to 2pm (except Bank Holiday Weekends)

ORDERING We accept orders by telephone on 01226 747424
 by fax on 01226 743712
 by email to stainedglass@kansacraft.co.uk
 or you can collect from the Mill

To avoid confusion it is always best to quote the code number of the glass you require rather than a description. Our Sales Staff are knowledgeable in all aspects of stained glass work and will be happy to answer your questions.

PRICES

All prices include VAT.

If your order comes to £150 or more, we give 10% discount off all prices except those marked **NET** in the price list.

PAYMENT

We accept cash, cheques with a valid guarantee card and the following credit and debit cards; VISA, VISA DELTA, MASTERCARD, SOLO, SWITCH and ELECTRON.

DELIVERY

We aim to despatch orders by the end of the working day, following the day of ordering. Our normal service is by 2nd class post, parcel post or carrier and usually takes 3 – 5 working days. We also offer a 24 hour service for an extra £6.50. Customers must be at delivery address to receive and sign for the parcel.

PACKING

We pack in padded "Jiffy bags" or strong cardboard boxes. In order to avoid breakage of Handicraft pieces of glass we ask for a minimum order of 4 pieces.

We can pack up to 4 full sheets of glass (cut into quarters) in a cardboard box. However we do not guarantee the glass against breakage if packed this way.

Please enquire if you want full sheets packed in a wooden crate – minimum order 6 sheets.
